

HYDROGEN ECOSYSTEM SLOVENIA

Hydrogen & Flexibility

Save the date

November 24, 2021, 9.30 am

LJUBLJANA

ECUBES and FCH-JU invites you to join
Hydrogen Ecosystem Slovenia Conference.

Learn about sector integration by utilizing Hydrogen and applications throughout the SEE region.
Discuss with technology leaders how to secure appropriate technologies for your project for a solid business model.
Meet with high-ranking representatives: Governmental and project stakeholders will be talking about challenges and opportunities on Climate Change and Hydrogen technologies, about linking renewables to clean transport as a key task for decision-makers.
